## JOIN IN PROTEST OF PALIN AT THE FAIRMOUNT HOTEL.

Be an American! Voice your Concern! Let the Republicans know that a woman's right is just that...her right!!

If you agree that a woman's choice is her own personal decision, join us. If you believe that four more years of failed Republican policies will drive our country to ruin, jeer with us. If you believe in global warming, the end of the war in Iraq, regulating the deregulators, equality for all American citizens, a balanced budget, environmental protection and a return to the US of A being the respected leader in the free world then come protest with us. If you know that drilling off our coasts and in protected areas will do nothing for our pain at the pump, that we need to cut taxes on the middle class and that the polar bear and arctic wolves are deserving of our respect, be there at the Fairmount.

Sarah Palin will be attending a \$1,000/plate luncheon at the Fairmount Hotel to benefit the Republican Party, we will be there to let her and the rest of the country know that Dallas is not the backwater, red-neck conservative town that Republicans counted on. Support Dallas Democrats at the polls!!

October 3rd at 1717 N. Akard Street across from the Fairmount Hotel. Make signs, bring your Obama yard signs, bring your friends and family just come and do your part. **March begins at 11am, plan for traffic and blocked streets!**

**I hate hockey.**
