

**TINA BENKISER**  
CHAIRMAN, REPUBLICAN PARTY OF TEXAS

[REDACTED]

Dear [REDACTED]

Texas Liberals, National Democrats and Greedy Liberal Trial Lawyers are **gunning for Senator John Cornyn** and they're touting recent polls that show the race is neck-and-neck.

In a pivotal Senate race that's "too close to call," we need your emergency financial help now, [REDACTED] because this is Texas and victories come hard here.

And they don't come cheap!

In Rick Noriega, Texas Democrats have picked their most liberal Senate candidate. His slogan is, "Take Texas Back" and nobody really knows what that means.

But if his record is any clue, **his philosophy is as liberal as Barack Obama's**, his campaign tactics are as shameless as Bill and Hillary Clinton's and the shady financiers bankrolling his campaign are among Texas' worst element.

[REDACTED] you're going to see vicious attacks on our conservative friend John Cornyn, the likes of which you've never seen before.

**This is our moment of truth** and now comes the true test of your financial leadership. Please come through for us in a big way and write your most generous check...

**For \$50, \$75, or even \$100...**

And rush-return it to our Austin headquarters today.

Senator John Cornyn is as optimistic as a Texas sunrise, as conservative as Texans need our Senator to be, and as honest and honorable as you'd expect from a trusted friend or neighbor.

Texas Democrats are **none** of these things. But Noriega and the Democrats have the backing of the most powerful liberal donors, and that's what worries me the most.

(Over, Please)

Howard Dean's D.N.C., Harry Reid's Democratic Senatorial Committee, George Soros' MoveOn.org and Greedy Liberal Trial Lawyers have taken dead aim at our conservative friend and Texas statesman, John Cornyn.

This is my mayday call of distress to urgently request your good and generous help.

Our enemies have made it clear that they're going to throw mud, sling muck, toss gunk and lie their lungs out to crush John Cornyn.

**Texas is better than that.**

**Texans deserve the truth.**

**If Rick Noriega wins, you lose.**

His brand of government-knows-best, shameless hypocrisy, politically-correct liberalism will be a catastrophe for Texas and America.

Noriega's radical ideas are indistinguishable from Barack Obama's, Ted Kennedy's, John Kerry's and Hillary Clinton's.

If the polls are right...

If Senator Cornyn's lead just 47% to 43%...

If Rick Noriega closes the gap and wins...

**It will take decades to undo the damage.**

Noriega is a liberal's liberal who believes that the federal government knows best, that all decisions affecting your life should be made at command-central in Washington, D.C.

As bizarre as it sounds, Noriega believes that the Beltway Bureaucracy is too small, federal spending is too low, your tax load is too light, gasoline prices are too cheap and your pro-family values are too extreme.

Drunk with power and as arrogant as can be, the Democrats are convinced that the federal government knows how to spend your money better than you do.

Speaker Nancy Pelosi, Senate Majority Leader Harry Reid and the Democrats who took control of Congress in 2006 are just finishing the first term of their spending frenzy that will devastate our beloved state and nation unless...

Republicans turn Election Day into our Victory Day.

**What's it going to take to do that?**

For one thing, it's going to take you, your generous Texas spirit, your

powerful checkbook and your deep and enduring commitment to our conservative values.

It's going to take our all-out 254-county grassroots team to reach out to voters in our vast and magnificent state to reaffirm the message that Senator John Cornyn is a true Texas conservative who has earned their support.

It's going to take a rapid-response team and a roving Truth Squad to counteract **Liberal Democratic Lies** with our Conservative Republican Truth.

It will take a massive media blitz on our part to contradict the ugly lies perpetuated by the shameless, hypocritical, and power-crazed Democrats.

I don't pretend it's going to be easy.

**All I know is that it's too vital not to work, organize, follow through and do our utmost to win.**

Right now, keeping pace with the Rick Noriega, Trial Lawyer, Out-of-State Liberal, Washington Democrat fundraising is our greatest challenge.

Shadowy 527 groups, sinister PACs and sleazy committees are beginning to hatch their dastardly plans. They don't care what they say, who they ruin or how they win in their quest for unchallenged power.

Their hateful ads will be so bitter, cynical, desperate and hysterical, they make your skin crawl.

But brace yourself.

Those attacks are coming.

And they're **taking dead aim** at Senator John Cornyn.

Will you help us defend Senator Cornyn and our conservative ideals?

Will you help us fight back with the truth?

The difference between a mere opinion and a strong belief is a willingness to take action. The only thing that truly changes the world is action. So this is what I'm urging, hoping, praying and trusting you to do:

Prove the pollsters wrong...

Show Noriega and the Democrats what you're made of...

Sound off against the Liberal Trial Lawyers' greed...

Tell Obama what you think of his liberal ideas...

And defend Senator John Cornyn and our Texas values...

(Over, Please)

By sending your most generous special gift to our Republican Party of Texas today. Your personal check for \$50, \$75, \$100 or any amount in between will provide the resources we need for the most amazing grassroots organization in Texas history.

The Democrats will test us to our limits but thanks to you, [REDACTED] we'll be ready... for anything and everything they throw at us.

You understand how tight the polls are between our remarkable conservative friend, John Cornyn and his liberal Democrat challenger, Rick Noriega.

You realize the lengths that the Greedy Liberal Trial Lawyers, Hollywood Red Carpet Crowd and Washington and Austin powerbrokers will go to oust Senator Cornyn from the job he loves and does so well.

You know how much we need you now, [REDACTED]

Write and mail your election-winning check for \$50, \$75, \$100 or more today.

Sincerely yours,

P.S. Texas is an amazing state facing an epic challenge. The last thing Texans can afford is Liberal Democrat Rick Noriega as our new Senator. It's rare to find a U.S. Senator of John Cornyn's ability and we need him back. Help us do everything we can to protect him and our conservative allies on the ballot this Fall.
